

Police & Thieves

The Clash

Police and thieves in the street, oh yeah
Scaring the nation with their guns and ammunition
Police and thieves in the street, oh yeah
Fighting the nation with their guns and ammunition
From genesis to revelation
The next generation will be, hear me
From genesis to revelation
The next generation will be, hear me
And all the crimes come in day by day
No one stops it in any way
All the peace maker turn war officers
Hear what I say
Police and thieves in the street, oh yeah
Scaring the nation with their guns and ammunition
Police and thieves in the street, oh yeah
Fighting the nation with their guns and ammunition
From Genesis to Revelation
The next generation will be, hear me
Oh yeah
Oh yeah
And all the crime come in day by day
No one stop it in any way
All the peace maker turn war officer
Hear what I say
Police, police, police and thief, oh yeah
Police, police, police and thief, oh yeah
Police, police, police, police and thief, oh yeah
Not scaring, not fighting the nation
Guns and guns and ammunition
Oh yeah
Oh yeah
Oh yeah
Police
Police
Police
