

# Drown

## Son Volt

What doesn't kill you  
makes you wish you were dead  
Got a hole in my soul growing deeper and deeper  
And I can't take one more moment of this silence  
The loneliness is haunting me  
And the weight of the world's getting harder to hold up  
It comes in waves  
I close my eyes  
Hold my breath and let it bury me  
I'm not okay  
and it's not alright  
Won't you tread the lake and bring me home again?  
Who will fix me now?  
Dive in when I'm down?  
Save me from myself  
don't let me drown Who will make me fine?  
Drag me out alive Save me from myself  
don't let me drown  
What doesn't destroy you  
leaves you broken instead  
Got a hole in my soul growing deeper and deeper  
And I can't take one more moment of this silence  
The loneliness is haunting me  
And the weight of the world's getting harder to hold up  
It comes in waves  
I close my eyes Hold my breath and let it bury me  
I'm not okay  
and it's not alright  
Won't you tread the lake and bring me home again?  
Who will fix me now?  
Dive in when I'm down?  
Save me from myself  
don't let me drown  
Who will make me fine?  
Drag me out alive  
Save me from myself  
don't let me drown  
Cause you know that I can't do this on my own  
Cause you know that I can't do this on my own  
don't let me drown  
Cause you know that i can't do this on my own  
don't let me drown

Cause you know that i can't do this on my own  
don't let me drown

Cause you know that i can't do this on my own  
don't let me drown

Cause you know that i can't do this on my own  
don't let me drown

Cause you know that i can't do this on my own

Cause you know that i can't do this on my own  
don't let me drown...
