

I Honestly Love You

John Farnham & Olivia Newton-John

Maybe I hang around here
A little more than I should
We both know
I've got somewhere else to go
but I got something to tell you
that I never thought I would
but I believe you
Really ought to know I love you,
I honestly love you
You don't have to answer
I see it in your eyes
Maybe it was better left unsaid
but this is pure and simple
And you must realize
That it's coming from my heart
And not my head I love you,
I honestly love you I'm not trying to
Make you feel uncomfortable
I'm not trying to
Make you anything at all
But this feeling
Doesn't come along every day
And you shouldn't
Blow the chance
When you got the chance to say
I love you, I love you
I honestly love you If we both were born
In another place and time
This moment
Might be ending in a kiss
But there you are with yours
And here I am with mine
So I guess we'll just be
Leaving it like this I love you,
I honestly love you
I honestly love you
