

# Imagine

## Dizzee Rascal

imagine if I showed u 1 day I was leavin da hood,  
wud u call me a sell out, wud u say its all good?  
wud u folow if u cud?  
or wud u jus tell me get da hell out?and imagine if I showed u dat id found another way of  
gettin dough wiv out doin dirt,  
lets blurt, wud u love me 4 givin u sum hope?  
or ressent me coz ur pride got hurt?imagine if we never grew up on a council estate,  
an was country manor raised, wiv a spoon in our mouth,  
wud we still b makin fuss about da east an da south?  
wud we shiver at da robbery, murder an da crack?  
an thank god dat we didn hav 2 live like dat,  
jus an image on da tv as were comftarbly sat,  
sippin wine room lit by da summer sunshine,  
not a worry in da world as we cash will e chat?  
oblivious 2 how we wud b livin on da flipside,  
no experience, not a clue about a ruff ride,  
no harrassment, no boy dem on our back side,  
dat'd b amazin still!but I no u wonder wud it make u any less real?  
wats da current spot ur standin in, offerin,  
if u had a better offer wud u go 4 da kill?  
snap out of ur day dream, how do u feel?does it all seem worthwhile 4 ya?  
try an put it in perspective,  
retrospective of ur profile an ur honour,  
do u wana hang about or are u a goner?  
come along fink fast, decision time,  
uve been livin in da grime, don u wana climb?  
da ladder of life, da wall of enlightenment,  
or are u lookin 4 da hype an excitement,  
coz deres so much drama in da LDN,  
its kinda hard tryin 2 find legal money 2 spend,  
generation, genocide look possible,  
da rate at which we drew up 4 da sken,  
an pretend, dat we dont no who da real enemy is,  
who shud we hold responsible, instead we offend,  
a couple square metres of pavemnt in da endz,  
wat wud we achieve my friends?
