

Try a Little Kindness

Glen Campbell

If you see your brother standing by the road
With a heavy load from the seeds he's sowed
And if you see your sister falling by the way
Just stop and say "You're going the wrong way" You got to try a little kindness, yes show a little kindness

Just shine your light for everyone to see
And if you try a little kindness then you'll overlook the blindness
Of narrow-minded people on the narrow-minded streets Don't walk around the down and out
Lend a helping hand instead of doubt
And the kindness that you show every day
Will help someone along their way You got to try a little kindness, yes show a little kindness

Just shine your light for everyone to see
And if you try a little kindness, then you'll overlook the blindness
Of narrow-minded people on the narrow-minded streets
You got to try a little kindness, yes show a little kindness
Just shine your light for everyone to see
And if you try a little kindness then you'll overlook the blindness
Of narrow-minded people on the narrow-minded streets
