

# Made This Way

## The Word Alive

Even when you thought you had me beat,  
I still found the strength, hidden deep within me.  
And I can't, can't ever lose my voice.  
I learned how to block, block out all of the noise.  
I found my place.  
In the empty spaces where my demons lay.  
No I don't believe that we as humans were meant to be afraid.  
I wear these scars!  
I own my mistakes, you made me this way.  
I wear these scars!  
I know my mistakes, you can't take that away.  
I wear these scars.  
You made me this way!  
I wear these scars.  
You can't take that away!  
It's so strange that I ended up here.  
I never thought I'd make it through these years.  
I found my place.  
In the empty spaces where my demons lay.  
No I don't believe that we as humans were meant to be enslaved.  
I wear these scars!  
I own my mistakes, you made me this way.  
I wear these scars!  
I know my mistakes, you can't take that away.  
I wear these scars.  
You made me this way!  
I wear these scars.  
You can't take that away!  
Most of these scars will fade away.  
But nothing hides the fact that you were my mistake.  
I wear these scars!  
I own my mistakes, you made me this way.  
I wear these scars!  
I know my mistakes, you can't take that away.  
I wear these scars.  
You made me this way.  
I wear these scars. I wear these scars.  
You can't take that away!  
I don't believe that we're defined by our mistakes.  
And I can see that you think you've had all you can take.  
I won't believe that we're defined by our mistakes.

I hope you see that, you're better off this way!
