

# She's in Love with the Boy

Trisha Yearwood

Katie's sitting on the old front porch  
Watching the chickens peck the ground  
There ain't a whole lot going on tonight  
In this one horse town.  
Over yonder, coming up the road  
In a beat-up Chevy truck  
Her boyfriend Tommy, he's laying on the horn  
Splashing through the mud and the muck  
Her daddy says, "he ain't worth a lick  
When it comes to brains, he got the short end of the stick"  
But Katie's young and man she just don't care  
She'd follow Tommy anywhere  
She's in love with the boy  
She's in love with the boy  
And even if they have to run away  
She's gonna marry that boy someday  
Katie and Tommy at the drive-in movie  
Parked in the very last row  
They're too busy holding on to one another  
To even care about the show  
But later on outside the Tastee Freeze,  
Tommy slips something on her hand  
He says, "my high school ring will have to do  
Till I can buy a wedding band"  
Her daddy says, "he ain't worth a lick  
When it comes to brains, he got the short end of the stick"  
But Katie's young and man she just don't care  
She'd follow Tommy anywhere  
She's in love with the boy  
She's in love with the boy  
She's in love with the boy  
And even if they have to run away  
She's gonna marry that boy someday  
Her daddy's waiting up till half past twelve  
When they come sneaking up the walk  
He says, "young lady get on up to your room  
While me and junior have a talk"  
But Mama breaks in and says, "don't lose your temper  
It wasn't very long ago  
When you yourself was just a hay-seed plowboy  
Who didn't have a row to hoe"  
My daddy said you wasn't worth a lick  
When it came to brains, you got the short end of the stick  
But he was wrong and honey you are too  
Katie looks at Tommy like I still look at you"  
She's in love with the boy

She's in love with the boy  
She's in love with the boy  
What's meant to be will always find a way  
She's in love with the boy  
She's in love with the boy  
She's in love with the boyWhat's meant to be will always find a way  
She's gonna marry that boy someday.  
She's in love with the boy...
