

Crazy

Barenaked Ladies

I climb the walls of my mind
Just like I'm climbing on a jungle gym
I am more than content with
The state of mind I am in
'Cause I am crazy just like you
I am crazy just like you I don't think I need a rubber room
But that might be nice
I'm not a manic depressive paranoid or schizophrenic
So I don't need your advice
I am crazy just like you
I am crazy just like you
The lights are on but nobody's home
My elevator doesn't go to the top
I'm not playing with a full deck
I've lost my marbles
The lights are on but nobody's home
My elevator doesn't go to the top
I'm not playing with a full deck
I've lost my marbles
I'm a few bricks short of a load
But a full load always hurts my back
I flew over the cuckoo's nest and I'm never ever coming back
Because I am crazy just like you
I am crazy just like you
I am crazy just like you
I am crazy just like you
I am crazy
