## **Into the West**

## **Annie Lennox**

Lay down Your sweet and weary head Night is falling You have come to journey's end

Sleep now

And dream of the ones who came before

They are calling

From across the distant shoreWhy do you weep?

What are these tears upon your face?

Soon you will see

All of your fears will pass away

Safe in my arms

You're only sleeping

What can you see

On the horizon

Why do the white gulls call

Across the sea

A pale moon rises

The ships have come to carry you homeAnd all will turn

To silver glass

A light on the water

All souls passHope fades

Into the world of night

Through shadows falling

Out of memory and time

Don't say

We have come now to the end

White shores are calling

You and I will meet again

And you'll be here in my arms

Just sleepingWhat can you see

On the horizon

Why do the white gulls call

Across the sea

A pale moon rises

The ships have come to carry you home

And all will turn

To silver glass

A light on the water

Grey ships pass

Into the west
