

Making Today a Perfect Day

Idina Menzel, Kristen Bell & The Cast of Frozen

You've never had a real birthday before
Except, of course, the ones just spent outside my locked door
So I'm here way too late to help you celebrate
And be your birthday date if I may... Achoo!
Elsa, I'm thinking you might have a cold
I don't get colds. Besides...
A cold never bothered me anyway
Just follow the string!
I've got big plans,
I've got surprises for today
Nothing but nothing's gonna get in our way
I've worked for weeks, planned everything within my power
I even got Kristoff and Sven to take a shower
If someone wants to hold me back I'd like to see them try
I'm on the birthday plan attack
I'm giving you the sun, the moon, and the sky
I'm making today a perfect day for you
I'm making today a blast if it's the last thing I do
For everything you are to me and all you've been through
I'm making today a perfect day for you
Achoo!
Achoo!
They come in threes!
I'm fine... achoo!
Surprise, surprise this one especially... achoo!
Wow! You've got me reeling, but I'm still concerned for you
I think it's time that you go home and get some rest
We are not stopping cause the next one is the best... ah... achoo!
Elsa, you gotta go lie down
No way, we have to paint the town
But you need medical attention
Are you sick?
How 'bout a cold remedy
Of my own invention
No thanks
We'll take it
We're making today a perfect day for you
Making today a special day
We're singing a birthday song to make your wishes come true
Wishes come true
We love Princess Anna
And I love you too

So we're making today a perfect day
(A fabulous day in every way)
Yes we are making today a perfect day
Come on! Now we climb!
Elsa that's too much.
You need to rest!
No... we need to get to our birthday chills... I mean thrills!
Making dreams
Making plans
Go go go go!
Follow the string to the end
You are my very best friend
Elsa?!
What? I'm fine
We're gonna climb
We're gonna sing
Follow the string
To the thing
Happy happy happy
Merry merry merry
Hot... cold... hot... birthday!
Woah! Elsa, look at you.
You've got a fever.
You're burning up!
All right, we can't go on like this
Let's put this day on hold
Come on, admit it to yourself
Okay... I have a cold
I'm sorry Anna.
I just wanted to give you one perfect birthday,
but I ruined it.
Again
You didn't ruin anything.
Let's just get you to bed
Surprise!
Wow!
Wow...
We're making today a perfect day for you
We're making today a smiley face all shiny and new
There's a fine line between chaos
And a hullabaloo
So we're making today a perfect day
Making today a perfect day
A! N! N! A!
Making today a perfect day for you
Happy birthday
Making today a happy day and no feeling blue
I love you baby!
For everything you are to us

And all that you do
I do
We're making today a perfect day
Making today a perfect day
We're making today a perfect day
Perfect day
Okay, to bed with you.
No, wait! Wait!
All that's left to do is for the queen to blow the birthday bugle horn!
Oh, no no no no no no...
ACHOO!
Best birthday present ever
Which one?
You letting me take care of you
Achoo!
