

The Good Life

Tony Bennett & Billy Joel

Oh, the good life
Full of fun, seems to be the ideal
Mmm, the good life
Lets you hide all the sadness you feel
You won't really fall in love
For you can't take the chance
So please, be honest
With yourself
Don't try to fake romance...
It's the good life
To be free, and explore the unknown
Like the heartaches
When you learn you must face them alone
Please remember
I still want you
And in case, you wonder why...
Well, just wake up
Kiss the good life goodbye...
