

# Roses (feat. ROZES)

## The Chainsmokers

Take it slow, but it's not typical  
He already knows that my love is fire  
His heart was a stone, but then his hands roam  
I turned him to gold and it took him higher  
Oh, I'll be your daydream, I'll wear your favorite things

We could be beautiful  
Get drunk on the good life, I'll take you to paradise  
Say you'll never let me go  
Deep in my bones, I can feel you  
Take me back to a time only we knew

Hideaway  
We could waste the night with an old film  
Smoke a little weed on the couch in the back room

Hideaway  
Say you'll never let me go  
Say you'll never let me go  
Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah  
Say you'll never let me go  
Say you'll never let me go  
Say you'll never let me go

Say you'll never let me go  
Deep in my bones, I can feel you  
Take me back to a time only we knew

Hideaway  
We could waste the night with an old film  
Smoke a little weed on the couch in the back room

Hideaway  
Say you'll never let me go  
Say you'll never let me go  
Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah

Say you'll never let me go  
Say you'll never let me go  
Say you'll never let me go
