

Too Fake

Hockey

I do anything that I'm told to
I even mean it if I'm supposed to
Lead me on a little, I go for broke
Lead me on some more
I go for the big tokeEverybody's watching, but nobody cares
Oh wait, does it go
Nobody's watching, but everybody cares
Oh whatever talk to you laterLook out, 'cause I'm just too fake for the world
I know it's just a game to me
I'm just too fake you see
I wish I didn't have to be, but watch out
I got too much soul for the world
It's breaking my heart in two
I got too much soul for you
I don't like it but it's true
I go to church if I'm expected to
I'll be lost soul
They need examples to use
I could stay forever or leave right now
It's your call, either way
It's time to use my life for myself
(most people just won't tell you that)
I'm gonna use my life for someone else, yeah
No wait wait wait waitLook out, 'cause I'm just too fake for the world
Oh you know it's just a game to me
I'm just too fake you see
I wish I didn't have to be, but
Oh I got too much soul for the world
And it's breaking my heart in two
I got too much soul for you
I don't like it but it's true
I can't even talk to you
About my effect on people
'Cause I'm doing the same thing to you
That's right even right now
Oh just wait up for me if you want to butLook out, now
I'm just too fake for the world
Oh you know it's just a game to me
I'm just too fake you see
I hope you can forgive me
Oh now, I got too much soul for the world
And it's breaking my heart in two

I got too much soul for you
I don't like it but it's trueLook out, now
I'm just too fake for the world
And there's nothing I can do about
No, I'm just too fake for you
I don't like it but it's trueLook out
I got too much soul for the world
It's breaking my heart in two
I got too much soul for you
I don't like it, but it's trueLook out, I'm just too fake for the world
I know it's just a game to me
I'm just too fake you see
I hope you can forgive meLook out now
I'm too fake
