

# Every Little Thing She Does Is Magic

## The Police

Though I've tried before to tell her  
Of the feelings I have for her in my heart  
Every time that I come near her  
I just lose my nerve as I've done from the start  
Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on  
Do I have to tell the story  
Of a thousand rainy days since we first met?  
It's a big enough umbrella  
But it's always me that ends up getting wet  
Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on  
I resolved to call her up  
A thousand times a day  
Ask her if she'll marry me  
In some old fashioned way  
But my silent fears have gripped me  
Long before I reach the phone  
Long before my tongue has tripped me  
Must I always be alone  
Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on  
Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on  
Every little thing, every little thing  
Every little thing, every little thing  
Every little, every little, every little  
Every little thing she does  
Every little thing she does  
Every little thing she does  
Every little thing she does  
Thing she does is magic  
Every little thing, every little thing  
Every little thing she do is magic  
Magic, magic, magic, magic, magic
