

# Somewhere On Fullerton

Allister

Somewhere down on Fullerton  
There's a place we used to go to get away from it all  
Somewhere down on Fullerton  
There's a place we used to go to get away from it all  
But I'm still trying to figure out why  
Things feel so wrong when they felt so right  
Felt so right four years ago So please don't go away  
I just want this feeling to stay with me forever  
Forever I said  
Please don't go away  
I just want you to stay with me forever  
Somewhere down on Fullerton  
There's a place that meant so much to everybody like me  
Somewhere down on Fullerton  
There's a place that meant so much to everybody like me  
But I'm still trying to figure out why  
Things feel so wrong when they felt so right  
They felt so right four years ago So please don't go away  
I just want this feeling to stay with me forever  
Forever I said  
Please don't go away  
All I want is you to stay with me But I'm still trying to figure out why  
Things feel so wrong when they felt so right  
They felt so right four years ago  
So please don't go away  
I just want this feeling to stay with me forever  
Forever I said  
Please don't go away  
All I want is you to stay with me forever Forever I said  
Please don't go away  
All I want is you to stay with me forever Forever I said  
Please don't go away  
All I want is you to stay with me
