

# Don't Stop

Brian McKnight

Your eyes, like an ocean to explore  
Your lips, keep me wanting more  
Your thighs, I can't wait to get between  
So when I give it you, give it right back to me  
Don't stop moving  
Don't stop grooving with me  
Don't stop moving  
Don't stop grooving with me  
You're sick, it's driving me insane  
Your body put an hourglass to shame  
To my eyes baby girl you're astounding  
Girl I put my loving where out so you can see me coming  
Don't stop moving  
Don't stop grooving with me  
Don't stop moving  
Don't stop grooving with me  
Girl you hold on to your love, hold on to your love  
I ain't giving all today  
And then give me all your love  
Like you're sent from up above  
I can even hardly wait  
Baby girl I am your mate, get down on my knees  
Rub you when you say me so  
So you tell me that it's mine  
Day and every night  
Then I'll love you more than move  
Don't stop moving  
Don't stop grooving with me  
Don't stop moving  
Don't stop grooving with me  
Stop...  
Don't stop...  
Don't...
