

# I Will Follow You Into the Dark

## Death Cab for Cutie

Love of mine  
Someday you will die  
But I'll be close behind  
I'll follow you into the dark  
No blinding light  
Or tunnels to gates of white  
Just our hands clasped so tight  
Waiting for a hint of a spark  
If heaven and hell decide  
That they both are satisfied  
Illuminate the no's on their vacancy signs  
If there's no one beside you when your soul embarks  
I'll follow you into the dark  
In catholic school  
As viscious as Roman Rule  
I got my knuckles bruised, by a lady in black  
And I held my tongue, as she told me son  
"Fear is the heart of love"  
So I never went back  
If heaven and hell decide  
That they both are satisfied  
Illuminate the no's on their vacancy signs  
If there's no one beside you when your soul embarks  
Then I'll follow you into the dark  
You and me  
Have seen everything to see  
From Bangkok to Calgary  
And the soles of your shoes  
Are all worn down  
The time for sleep is now  
It's nothing to cry about  
Cause we'll hold each other soon  
In the blackest of rooms  
If heaven and hell decide  
That they both are satisfied  
Illuminate the no's on their vacancy signs  
If there's no one beside you  
When your soul embarks  
I'll follow you into the dark  
And I'll follow you into the dark
