

I Will Follow You Into the Dark

Death Cab for Cutie

Love of mine
Someday you will die
But I'll be close behind
I'll follow you into the dark
No blinding light
Or tunnels to gates of white
Just our hands clasped so tight
Waiting for a hint of a spark
If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs
If there's no one beside you when your soul embarks
I'll follow you into the dark
In catholic school
As viscious as Roman Rule
I got my knuckles bruised, by a lady in black
And I held my tongue, as she told me son
"Fear is the heart of love"
So I never went back
If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs
If there's no one beside you when your soul embarks
Then I'll follow you into the dark
You and me
Have seen everything to see
From Bangkok to Calgary
And the soles of your shoes
Are all worn down
The time for sleep is now
It's nothing to cry about
Cause we'll hold each other soon
In the blackest of rooms
If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs
If there's no one beside you
When your soul embarks
I'll follow you into the dark
And I'll follow you into the dark
