A favorite place where I can meet you at?

Decir hola, como estas?
Que estaras haciendo esta noche?
Deberiamos tener una cita esta noche
Tener alguna diversion esta noche
Eso estaria bien
Amo tu sonrisa
Sonries tan brillante
Te halagaria toda la noche
Ese no es problema
Si me conseguiste defectos trataremos el punto
No lo has conseguido
De la tapa del boton nena lo consigues
Y lo deseo
Un compinche clasico del Rodikin nadison?

Un compinche clasico del Rodikin nadison?

A menos que eres una de las chicas mas finas que he visto

Tu y yo seriamos una buena cosa

Puedes depender de mi

Ven aqu
