Loving you was so easy from the start.
i saw your eyes and felt your heart.
Beautiful and cool, look at me acting like a fool.
Will you call me more from time to time?
Can i see you again if you dont mind.
I knew from the moment i saw you you that you were meant for me.
I knew from this moment we were meant to be.
It's strange when you find the woman you want to spend your life with, most of all, your very
last kiss.
