

Gimme All Your Love

Alabama Shakes

So much is going on
but you can always come around
why don't you sit with me for just a little while
tell me, what's wrong And you just give me all your love
give me all you got baby Give me all your love
that I know So tell me what you wanna do
they say ---- you
why don't tell to me just a little why
I don't know the time
make your way
And you just give me all your love
give me all you got baby Give me all your love
Give me all your love Give me all your love
baby Just give me all your love
