

Kidnap Me

CRUISR

Got that bottom of the ocean
Pressure, pressure
Pushing down on me alone
Whoo hoo hoo hoo Got that I'm in outer space kind
Pressure, pressure
Thinkin' my body might explode Shackle me up in locket
I can live in your pocket
When you gonna kidnap me
When you gonna kidnap me Take me away from here
I can see it so clearly
You gotta kidnap me
You gotta kidnap me
So call the cops and tell 'em I've gone
Missin', missin'
They throw the case into the file
Whoo hoo hoo hoo I call my mom and tell her don't you
Worry, worry
I'll see you in a little while Shackle me up in locket
I can live in your pocket
When you gonna kidnap me
When you gonna kidnap me Take me away from here
I can see it so clearly
You gotta kidnap me
You gotta kidnap me
Oh oh oh
Whoa oh oh
Oh oh oh
You're never gonna catch us
Oh oh oh
Whoa oh oh
Oh oh oh
You're never gonna catch us
Oh oh oh
Whoa oh oh
Oh oh oh
You're never gonna catch us And anyway I need to
Anyway I need you Shackle me up in locket
I can live in your pocket
When you gonna kidnap me
When you gonna kidnap me
Whoo hoo hoo hoo Take me away from here
I can see it so clearly

You gotta kidnap me
You gotta kidnap me
Whoo hoo hoo hoo Tell me you'll do it, dear
I can live in your air
When you gonna kidnap me
When you gonna kidnap me
Whoo hoo hoo hoo Take me away from here
I can see it so clearly
You gotta kidnap me
You gotta kidnap me
Whoo hoo hoo hoo
