

# Meet Me in the Hallway

Harry Styles

Meet me in the hallway  
Meet me in the hallway  
I just left your bedroom  
Give me some morphine  
Is there any more to do? Just let me know I'll be at the door, at the door  
Hoping you'll come around  
Just let me know I'll be on the floor, on the floor  
Maybe we'll work it out  
I gotta get better, gotta get better  
I gotta get better, gotta get better  
I gotta get better, gotta get better  
And maybe we'll work it out  
I walked the streets all day  
Running with the thieves  
'Cause he left me in the hallway  
(Give me some more)  
Just take the pain away Just let me know I'll be at the door, at the door  
Hoping you'll come around  
Just let me know I'll be on the floor, on the floor  
Maybe we'll work it out  
I gotta get better, gotta get better  
I gotta get better, gotta get better  
I gotta get better, gotta get better  
And maybe we'll work it out  
We don't talk about it  
It's something we don't do  
'Cause once you go without it  
Nothing else will do
