Meet Me in the Hallway

Harry Styles

Meet me in the hallway Meet me in the hallway I just left your bedroom Give me some morphine Is there any more to do?Just let me know I'll be at the door, at the door Hoping you'll come around Just let me know I'll be on the floor, on the floor Maybe we'll work it out I gotta get better, gotta get better I gotta get better, gotta get better I gotta get better, gotta get better And maybe we'll work it out I walked the streets all day Running with the thieves 'Cause he left me in the hallway (Give me some more) Just take the pain awayJust let me know I'll be at the door, at the door Hoping you'll come around Just let me know I'll be on the floor, on the floor Maybe we'll work it out I gotta get better, gotta get better I gotta get better, gotta get better I gotta get better, gotta get better And maybe we'll work it out We don't talk about it It's something we don't do 'Cause once you go without it Nothing else will do Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
