

# Tease

Adina Howard

Listen baby  
Tonight  
I don't want you to do nothing  
Just Lay right here on your back (back)  
Let me handle that  
I don't want you to nothing just watch me  
As my pants go down and your eyes go lower  
Know your watching that back  
Let me slow it down for ya Can you hear it call  
Its marinating for ya  
Always ready for ya  
Let me take ya over  
Ill be your strip tease  
What ever you want  
Ill be good to you, because I  
Aim to please  
You be the student  
I'm about to teach Aint no touching just you watching me touching myself  
Its all in your face aint asking for no help  
I know you ready keep it steady  
I'm gonna give it to ya  
But tonight I wanna, do something different for ya  
Wont you close your eyes let me know what it feels like  
Left right right left  
I can last all night  
Ill be your strip tease  
What ever you want (you want)  
Ill be good to you, because I  
Aim to please  
You be the student  
I'm about to teach Ill be your strip tease  
What ever you want  
Ill be good to you, because I  
Aim to please  
You be the student  
I'm about to teach ha ha ha haaa  
I can see you want me  
The way you looking at me  
Ha ha ha haaa  
Yeah  
Enough of the teasing baby  
Come and get me Ill be your strip tease

What ever you want  
Ill be good to you, because I  
Aim to please  
You be the student  
I'm about to teach [x3]
