

# For Love

## Lush

Pretty little girl, she shines  
Knowing she is young, she smiles  
Happy just to be a prize  
Happy just to see his smile  
Silly little girl, she tries  
Thinking she is good, and wise  
Doesn't recognise the lies  
Pouring from her lips, she sighs: This is so real,  
It's what I feel,  
I look in your eyes and lose myself  
Silly little girl denies  
Every understanding why  
Her face is full of sad surprise  
Every time she hears him cry:  
What do you feel  
When you're with me?  
I look in your eyes and see myself  
But there's no connection,  
Just his own reflection  
Isn't this the way you wanted me?  
(what do you mean?)  
In love with you  
(what do I feel?)  
Do anything  
(what do you mean?)  
For you  
She looked in his eyes to lose herself  
And when it falls apart, she cries  
Doesn't think to look inside  
She just covers up her eyes  
Doesn't see her own disguise  
And though she feels this sorrow,  
It will fade tomorrow  
She'll pretend that this was really love  
(what do you mean?)  
She'll make their fall  
(what did I feel?)  
Seem beautiful  
(what do you mean?)  
She won't remember this at all  
(what do you mean?)  
She won't recall  
(what did I feel?)  
The truth at all  
(what do you mean?)  
She wants to fall  
(what did I feel?)

Again

(what do you mean?)
