

# That's All You Need

## Faces

Sit right down if you can spare me a minute  
I got a tale that's bound to break your heart  
Concerns my brother who's thin and played violin  
Got it in his head that an iq is all you need  
He went his way I couldn't discover mine  
I didn't worry if I ever saw him again  
He's made a profit while I don't even own a pocket  
And the last I heard he was sitting at the top of the tree  
Wait a minute  
Late last night reading my underground press  
Came a knock on the door thought it was the third world war  
Lord above I did not recognize him  
I said have a cup of coke here maybe that's all you need  
He said the smell of the city  
Kid it's trying to kill me  
My eyes are getting muddy  
Christ I'm aging fast  
My kind of music I knew it wasn't gonna to be simple  
But have a quick listen kid maybe that's all you need  
Don't stop you make me feel much better  
Tell me my brother do you think that's all I need  
Yea yea  
Don't it make you happy  
Well, well, well, well, well  
That's all you need  
That's all you need  
That's all you need  
That's all you need  
(repeat and fade)
