Too Much Love Will Kill You

Queen

I'm just the pieces of the man I used to be Too many bitter tears are raining down on me I'm far away from home And I've been facing this alone for much too long Oh, I feel like no-one ever told the truth to me About growing up and what a struggle it would be In my tangled state of mind I've been looking back to find where I went wrong Too much love will kill you If you can't make up your mindTorn between the lover and the love you leave behind You're headed for disaster 'cos you never read the signs Too much love will kill you every time I'm just the shadow of the man I used to be And it seems like there's no way out of this for me I used to bring you sunshine Now all I ever do is bring you down, oooh How would it be if you were standing in my shoes Can't you see that it's impossible to choose No there's no making sense of it Every way I go I'm bound to lose, oh yeah Too much love will kill you Just as sure as none at all It'll drain the power that's in youMake you plead and scream and crawl And the pain will make you crazy You're the victim of your crime Too much love will kill you every time Yeah too much love will kill you It'll make your life a lie Yes too much love will kill you And you won't understand why You'd give your life you'd sell your soul But here it comes again Too much love will kill you In the end. In the end. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
