

# Physical

## John Farnham & Olivia Newton-John

I'm saying all the things that I know you'll like, makin' good conversation  
I gotta handle you just right, you know what I mean  
I took you to an intimate restaurant, then to a suggestive movie  
There's nothin' left to talk about, unless it's horizontally  
Let's get physical, physical, I wanna get  
physical, let's get into physical  
Let me hear your body talk, your body talk, let me hear your body talk  
repeat I've been patient,  
I've been good, tried to keep my hands on the table  
It's gettin' hard this holdin' back, you know what I mean  
I'm sure you'll understand my point of view, we know each other mentally  
You gotta know that you're bringin' out the animal in merepeats 2x  
Oh, let's get physical,  
physical, I wanna get physical, let's get into physical  
Let me hear your body talk, your body talk, let me hear your body talk  
Let's get animal, animal,  
I wanna get animal, let's get into animal  
Let me hear your body talk, your body talk, let me hear your body talk  
Let me hear your body talk  
Let me hear your body talk
