Niggas thought that K-Dot real life

Was the same life they see on TV, huh?

Next time they hit the 10 freeway, we need receipt, huh?

'Cause most of y'all ain't real

Most of y'all gon' squeal

Most of y'all just envy, but jealousy get you killed

Most of y'all throw rocks and try to hide your hand

Just say his name and I promise that you'll see Candyman

Because it's all in your eyes

Most of y'all tell lies, most of y'all don't fade

Most of y'all been advised

Last LP I tried to lift the black artists

But it's a difference between black artists and wack artistsIf I gotta slap a pussy ass nigga, I'ma make it look sexy

It's the one and only, the world's greatest, the Kid Capri
If I gotta go hard on a bitch, I'ma make it look sexy
I pull up, hop out, air out, made it look sexy
They won't take me out my element
Nah, take me out my element
