Tori kpe won le tomi Nothing wey person never see,
Omo nothing wey person never see

Now na me them dey answer yes sir
Respect is reciprocal
Even though una know say I special

I dey kaku dey gbese
Jejeli, jeje, jeje
I been dey answer them answer them, yes sir
Now na me them dey answer yes sir
Respect is reciprocal

Even though una know say I special
Anybody, wey no want to soji
Anybody, wey no dey carry body
Knack am something, ah-ah
