

# Love Me Again

## Big Time Rush

Make you love me again (love me again, love me again)  
Make you love me again (love me again, love me again) Fifty girls at the door  
And they all wanna roll, wanna roll, but I gotta say no  
One girl that I'm looking for, there, there she go  
I knew you'd be back for another round  
Give me a chance to lay you down The night is young  
We're having fun  
Show me love, hit me up  
You're so beautiful When we dance  
Heaven opens up  
Girl I just thought that I should let you know (let you know)  
Baby, when the night is done, I'll let you go  
But I promise you'll be back for more  
I wanna touch you like I did before  
So baby take my hand, take my hand I'm a make you love me again (make you love me again,  
love me again)  
I'm a make you love me again (make you love me again)  
I'm a make you love me again Tell me what you like on the floor, on the floor  
All night what you wanna do  
Baby girl, it's up to you, up, up to you  
I knew you'd be back for another round  
The way that you move just knocks me down, oh girl The night is young  
We're having fun  
Show me love, hit me up  
You're so beautiful  
When we dance  
Heaven opens up  
Girl I just thought that I should let you know Baby, baby, when the night is done, I'll let you go  
But I promise you'll be back for more  
I wanna touch you like I did before  
So baby take my hand, take my hand I'm a make you love me again (make you love me again,  
love me again)  
I'm a make you love me again (make you love me again)  
I'm a make you love me again  
I'm a make you love me again Baby, when the night is done, I'll let you go  
But I promise you'll be back for more  
I wanna touch you like I did before  
So baby take my hand, take my hand I'm a make you love me again (make you love me again,  
love me again)  
I'm a make you love me again (make you love me again, love me again)  
I'm a make you love me again Ey ey  
Love me again

Ey Ey  
Love me again  
Ey Ey  
Love me again  
(Make you love me again, love me again)  
Love me again
