

# The Shadow of Your Smile (feat. Paul Jackson Jr)

Jeffrey Osborne

One day we walked, along the sand  
One day in early spring,  
You held the piper in your hand  
To mend its broken wind  
Now I remember many of days  
And many a lonely mile  
The echo of a piper song  
She shadow of her smile The shadow of your smile  
When you are gone  
Will color all my dreams  
Enlight the dawn  
Look into my eyes, my love and see  
All the love and things, you're all to me  
Our wishful little star  
Was far too high  
A teardrop kiss your lips,  
Now when I remember spring  
All the joy, that love can bring  
I will be remembering  
The shadow of your smile  
Our wishful little star  
Was far too high  
A teardrop kiss your lips,  
Now when I remember spring  
All the joy, that love can bring  
I will be remembering  
The shadow of your smile.
