

Beating Heart Baby (El-P Mix)

Head Automatica

Baby is this love for real?
Let me in your arms to feel
The beating of your heart baby
The beating of your heart baby You
You want nothing to do with me
You
You want nothing to do with me
I
I don't know what to do with you
'Cause you
Don't know what you do to me Baby is this love for real?
Let me in your arms to feel
The beating of your heart baby
The beating of your heart baby
Baby is this love for real?
Let me in your arms to feel
Your beating heart baby
The beating of your heart baby Girl
You really got your hold on me
Girl
You really got your hold on me
Go
You gotta get away from me
'Cause you
You want nothing to do with me Baby is this love for real?
Let me in your arms to feel
The beating of your heart baby
The beating of your heart baby
Baby is this love for real?
Let me in your arms to feel
Your beating heart baby
The beating of your heart baby Goodbye of you
Even out of you
Still I love all of you
I, I do yeah
In spite of you
Even out of you
Still I love all of you
I, I do well... You
Want nothing to do with me
You
You want nothing to do with me Baby is this love for real?

Let me in your arms to feel
Your beating heart baby
The beating of your heart babyBaby is this love for real?
Let me in your arms to feel
The beating of your heart baby
The beating of your heart babyBaby is this love for real?
Let me in your arms to feel
Your beating heart baby
The beating of your heart baby
