

# If I Die Tomorrow (feat. Bill Kaulitz)

## Far East Movement

If I die tomorrow-o-ow  
Th-That m-means we had the night of our life  
If tomorrow-o-ow never comes  
Then-Then tonight we lose control  
If I die tomorrow-o-ow  
Th-That m-means we had the night of our life  
If tomorrow-o-ow never comes  
Th-Then tonight we lose control  
Shake that jello, this your jam (yeah)  
This that flavor for your pants (ah)  
Drop that top and bump that trunk  
Hands up, let me see you dance  
K-Kill that bottle, let's get nice  
Dead that clock, it's bout that time (bang)  
Pop that vial, last all night (yeah)  
Hit that raw and don't think twice  
Say OW  
Let me see you break yo back (a-ah)  
Girl, go crazy (go go go)  
If-If you got that super bad  
Girl, Girl, damn that's crazy (crazy)  
The way you throw that in my lap  
Yeah, uh, you so crazy  
And if ya ain't got time to act  
double time girl shake it fast  
If I die tomorrow-o-ow  
Th-That m-means we had the night of our life  
If tomorrow-o-ow never comes  
Th-Then tonight we lose control  
If I die tomorrow-o-ow  
Th-That m-means we had the night of our life  
If tomorrow-o-ow never comes
