Who I Was Born to Be

Susan Boyle

When I was a child I could see the wind in the trees And I heard a song in the breeze It was there, singing out my nameBut I am not a girl I have known the taste of defeat And I've finally grown to believe It will all came around againAnd though I may not know the answers I can finally say I am free And if the questions led me here Then I am who I was born to be And so here am I Open arms and ready to stand I've got the world in my hands And it feels like my turn to flyThough I may not know the answers I can finally say I am free And if the questions led me here Then I am who I was born to beWhen I was a child There were flowers that bloomed in the night Unafraid to take in the light Unashamed to have braved the dark Though I may not know the answers I can finally say I am free And if the questions led me here Then I am who I was born to be I am who I was born to be
