

We Are Monster High (Madison Beer Version)

Madison Beer

We are monsters we are proud
We are monsters say it loud
High school's a horror
Can't get out of my bed
Everybody's talking but it's not in my head
They say don't be different be like them instead
But they can't keep us a down cause' we're Monster High bred
The clock is striking 13
(Whoa oh oh oh)
It's time to cheer for your team
(Whoa oh oh oh)
You are ghoul-est ghoul by far
So don't be afraid of who you are
Cause' tonight were gonna leave our fears behind
We're in it together
Stepping out and we're letting our spirits fly
Stay fierce forever
Wa wa wa wa oh
Freak out if you dare
Wa wa wa wa oh
Your best nightmare
Don't stop rocking your right to fright
We are Monster High
We are monsters, we are proud
We are monsters, say it loud
(Come on) Perfectly imperfect, and we do it our way
United not divided won't get cast away
They say go run and hide
But I just gotta say
We're drop dead gorgeous each and every day
The clock is striking 13
(Whoa oh oh oh)
It's time to scream your team
(Whoa oh oh oh)
We don't have to say goodbye
Cause' friends like these will never die
Cause' tonight were gonna leave our fears behind
We're in it together
Stepping out and we're letting our spirits fly
Stay fierce forever
Wa wa wa wa oh
Freak out if you dare
Wa wa wa wa oh
Your best nightmare
Don't stop rocking your right to fright

We are Monster High We are monsters, we are proud
We are monsters, say it loud
(We are Monster High)
We are monsters, we are proud
We are monsters
We are Monster High
