

# The Living Daylights

a-ha

Hey driver, where we going?  
I swear my nerves are showing  
Set your hopes up way too high  
The living's in the way we die Comes the morning and the headlights fade away  
Hundred thousand people, I'm the one they frame  
I've been waiting long for one of us to say  
"Save the darkness, let it never fade away" Oh, the living daylights  
Oh, the living daylights  
All right, hold on tight now  
It's down, down to the wire  
Set your hopes up way too high  
The living's in the way we die Comes the morning and the headlights fade away  
Hundred thousand changes, everything's the same  
I've been waiting long for one of us to say  
"Save the darkness, let it never fade away" Oh, the living daylights  
Oh, the living daylights  
Oh, the living daylights Comes the morning and the headlights fade away  
Hundred thousand people, I'm the one they frame Oh, the living daylights  
Oh, the living daylights  
Oh, the living daylights  
Set your hopes up way too high  
The living's in the way we die  
Set your hopes up way too high  
The living's in the way we die  
Set your hopes up way too high  
The living's in the way we die  
Set your hopes up way too high  
The living's in the way we die  
Set your hopes up way too high  
The living's in the way we die
