

Respect

Tha Dogg Pound

Intro: Dr. Dre I know you're bobbin your head, cause I can see huh, yeah (repeat 4X)
You can't see me, hah
Back up in that ass once again
With some of Dat Nigga Daz shit
Beatin up on your ear drums with some of that G Funk
Some of that gangsta funk
Some of that ghetto funk
Call it what you want, just don't forget the G
Got the motherfuckin Dogg Pound in the house Verse One: Dogg Pound Now tell me what's
poppin in your head my brother
What you wanna do end up dead motherfucker
I don't know why we got to kill each other
Cause on the streets it's do or die motherfucker
(Daz)
Now as a child I was raised in the church
Now what ever possessed me to do the shit that I do to put you in the dirt
I gives a fuck about a nigga on the street
I'm runnin ninety-fo' and I done ran ninety-three, don't like no hurdle
For the murders I committed in my Omni Fo' convertible
And not a soul saw who did it
As I lean to the side in my Omni G-Ride
On a mission, fo' deep, Dogg Pound do or die (Kurupt)
Now if you see me mobbin down the street what would you think (not)
Realizing that I'm surviving off instinct
What makes my mind click to perfect timing
For me to twist shit switchin bullshit the fuck up like The Shining
Cause I'm in my own zone, alone I'm found
You think you saw but death is all round like a ghost town
Perhaps you, know I acts a
Fool if I have to, can you comprehend or adapt to
Chorus: Prince Ital Respect to the Deathrow Inmates
Deathrow Inmates lawd dem never hesitate
To bust a gun shot, in a i-diot face
Dis is Dogg Pound and your life goes to waste
Fraid, Dogg Pound carry no grace
Lifetime in static, put you inna your place
Dogg Pound be killin a bitch mentality
Mess with Dogg Pound and you be dead each way
Lawd Verse Two: Dogg Pound (Kurupt)
Now wit Dat Nigga Daz, everywhere I roll I'm set to blast
The rate of success is elevating too fast
Every corner that I turn, there's money to burn

With no concern count the amount there's more to be earned
 Set-Trip, the word I hear every nigga spit
 Sixty percent's trippin forty percent's bullshit
 Industy's shady, my safety's in jeapordy
 Control the mind with mental telepathy nigga
 Shady as fuck, Kurupt can see it in your eyes
 Anticipatin for the real to come from the disguise
 The Pound, we roll thick like one-time
 And I could fuck your bitch after I bust just one rhyme
 All we do is smoke weed and get blitzed
 And kick that motherfuckin gangsta shit
 (Say what say what say what say what say what?)
 Kick that motherfuckin gangsta shit(Daz)
 Well I see myself on top, by the age of twenty-two
 or will I drop, a fallen star that has been forgotten not
 In the past, I only hustled for the cash
 Suprised to see that nigga rise up on that ass
 Anybody killa, do or die if I have to
 On deck, twenty-four seven and blastin if I have to
 I live my life I done swore to courtin trigger long
 Who would stop the movement why I journied so far
 From the danger that lurks, from the one that's out doin dirt
 Step to modify this and vanish away from this Earth
 Beyond the heartbreaks and heartaches, rest in peace
 Riders died death is unexplainable when you die
 Outro: Prince Ital
 We dont got to stoop low
 We dont got to stoop to your level
 But when they see we coming lawd
 Now when they see we coming lawd
 Now when they see we coming lawd they tremble
 Cause we a rebel, terror from a well fractured gun
 And you know we keep it real to make your life invisible
 So don't fuck, you betta be respectable
