## Panama

Uh uh oh oh  
uh uh oh oh  
uh uh oh oh Say what you wanna  
And I won't leave you in the air  
I can see that I wanna  
Don't talk to caculculate sometime  
How'd you know its over?  
If ever felt keep falling off my mind  
I don't know if I love to dance  
Circle Thoughts are always in my head  
uh uh oh oh  
uh uh oh oh  
Always I've loved  
uh uh oh oh  
uh uh oh oh The Jungle of your Heart  
Say what you have to  
Feels like going back, what's in my love  
How'd you know that it feels heaven  
ouh  
I been walking into your walls, all this time  
I don't know if it's all over  
The past its something I keep hanging from  
You were the one to built this palace eh  
Circling like bouches in my head  
uh uh oh oh  
uh uh oh oh  
Always I've loved  
uh uh oh oh  
uh uh oh oh  
The Jungle of your Heart  
uh uh oh oh  
uh uh oh oh  
Where is your love?  
Where is your love?  
uh uh oh oh  
The Jungle of your Heart  
Uh uh oh oh  
Uh uh oh oh  
In the jungle of your heart  
In the jungle of your heart  
I don't know if it's all over  
In the jungle of your heart

in the jungle of your heart  
I don't know if it's all over  
uh uh oh oh  
uh uh oh oh  
uh uh oh oh  
uh uh oh oh
