

# Lines On My Face

Peter Frampton

Lines on my head from that one thing you said  
She spoke of strangers that don't sleep two a bed  
Kept on trying, buying time, not waiting on fate  
Somehow got the feeling that I opened my eyes too late  
I saw where you came from  
I called out your name, but there's no answer  
We lived on your doorstep  
I made you my wife but I don't need that  
Lines on my face, while I laugh lest I cry  
Speed city, dirt and gritty, waving me goodbye  
So many people, the family of friends  
Trying so hard to make me smile until this heartache mends  
I saw where you came from  
I called out your name but there's no answer  
We lived on your doorstep  
I made you my wife but I don't need that  
Ice in her eyes, frozen tears could never be a surprise  
You can't erase a dream you can only wake me up  
My mind is turning slower, never to accept defeat  
It don't matter where I stay I still got a house to heat  
I saw where you came from  
I called out your name but there's no answer  
We lived on your doorstep  
I made you my wife but I don't need that  
I saw where you came from  
I called out your name but there's no answer  
We lived on your doorstep  
I made you my wife but I don't need that  
I saw where you came from
