

# Subhana Allah (feat. Mesut Kurtis)

## Maher Zain

Subhana Allah Subhanaka rabbee subhanak  
Subhanaka ma a'dhama shaanak  
Nad'uka wanarju ghufraanak  
Nad'uka wanarju ghufraanaka Rabbee As I travel through the earth  
I can't help but notice  
This symphony I hear all around  
From the smallest grain of sand  
to the faraway planets  
To a flower putting  
roots in the ground  
Every bird in the sky every rock  
and every raindrop  
Says as it falls from the clouds  
Every ant, every plant, every breeze and all the seas  
They all sings  
Subhanaka rabbee subhanak  
Subhanaka ma a'dhama shaanak  
Nad'uka wanarju ghufraanak  
Nad'uka wanarju ghufraanaka Rabbee Jalla Allah, fi kulli kawni Allah almahu noora Allah  
Wa dhikru Rabbee fi daqqaati qalbi yahtifu bismillah  
Khalqu Allah, sun'u Allah maa abhaah  
Wal akwaan tusabbihu bismillah  
Jalla Allah fi 'ulaah, ya Rabbaah, ya Rahman, Allah Subhanaka rabbee subhanak  
Subhanaka ma a'dhama shaanak  
Nad'uka wanarju ghufraanak  
Nad'uka wanarju ghufraanaka Rabbee Subhana Allah  
Subhanaka rabbee subhanak  
Subhanaka ma a'dhama shaanak  
Nad'uka wanarju ghufraanak  
Nad'uka wanarju ghufraanaka Rabbee
