

# Preacher

## OneRepublic

When I was a kid  
I used to buy and sell gravity  
I knew how to fly  
And I could teach you for a fee  
Broke every window  
In my hotel heart  
When I was only 5 years old but 12 years scarred  
And I'd hear the same voice  
Echo in my mind  
Said 'son you got an angel,  
To chase the devil at the night'  
When I was a kid  
My grandfather was a preacher  
He'd talk about God  
Yeah he was something like a teacher  
He said 'God only helps those  
Who learn to help themselves'  
He was a million miles from a million dollars  
But you could never spend his wealth I took a little faith  
And put it in a parking lot  
I drove to a strange town  
Full of have and have nots  
And as I walked through that storybook life  
I was looking for an angel to chase the devil at the night  
Oh! oh! oh!  
When I was a kid  
My grandfather was a preacher  
He'd talk about love  
Yeah he was something like a teacher  
He said 'God only helps those  
Who learn to help themselves'  
He was a million miles from a million dollars  
But you could never spend his wealth Wave  
Put your hands up and hands down  
Put your hands up and hands down  
Put your hands up and hands down  
When I was a kid  
My grandfather was a preacher  
He'd talk about life  
Yeah he was something like a teacher  
He said 'God only helps those  
Who learn to help themselves'  
He was a million miles from a million dollars

But you could never spend his wealthOh!  
He was a million miles from a million dollars  
But you could never spend his wealth
