

Flex (Ooh, Ooh, Ooh)

Rich Homie Quan

Aye, oh, there it is, there it is, there it is
There it is, there it is (Rich Homie, baby!) Walked in 30, 000 in my pocket
Had them niggas just like oh, ooh, ooh
15, 000 dollars on your bitch wanna fuck me
Got her screamin' like oh, ooh, ooh
Cause I got a check, nigga wanna flex
Ain't gotta flex but I got it, oh, ooh, ooh
Give that ho some x, she gone wanna sex every nigga in the set
And now she screamin' like oh, ooh, ooh
Made some million dollars off a mixtape
And I'm fuckin' like, ooohhh
They try to drop me with a case but you know I had to skate it
I was singing like, ooohhh
Boy I know my role and I play it
If you heard that I'm talking then I said it
(Quan where you at?) At the top of the loft nigga, I stay
I'm a bad boy but I don't wear big clothes like Ma\$e
In the club and a nigga get it boppin'
And that ho, she want a free drink, tell the bitch to get up off it
I'm the nigga to get it poppin', her hair short like Dennis Rodman
At the Clearport nigga, we flying, when I landed boy I
Walked in 30, 000 in my pocket
Had them niggas just like oh, ooh, ooh
15, 000 dollars on your bitch wanna fuck me
Got her screamin' like oh, ooh, ooh
Cause I got a check, nigga wanna flex
Ain't gotta flex but I got it, oh, ooh, ooh
Give that ho some x, she gone wanna sex every nigga in the set
And now she screamin' like oh, ooh, ooh (How much you made?) \$100, 000 just in two days
I don't fuck with niggas cause they two faced
I only fuck with bitches for that toupee
These Givencheys, I ain't worried about no new J's
Know that be true, got a set and she always got my back
So I love that shit the most
I'm her big dog and she my cat and she love it from the back
Call her green cause she on go
I wear glasses cause I know these niggas watchin'
They mad cause they cannot stop me
Boy stopping is not a option, I can't help it cause I got it
Don't waste time, I got shit watchin'
Talkin' Rollex, yeah, I bought 'em
Now I'm at the top, started from the bottom, then I Walked in 30, 000 in my pocket

Had them niggas just like oh, ooh, ooh
50, 000 dollars on your bitch wanna fuck me
Got her screamin' like oh, ooh, ooh
Cause I got a check, nigga wanna flex
Ain't gotta flex but I got it, oh, ooh, ooh
Give that ho some x, she gone wanna sex every nigga in the set
And now she screamin' like oh, ooh, ooh(How much you made) a \$100, 000
(How much, how much you made) a \$100, 000
(How much, how much you made)
Made some million dollars of a mixtape and I fuck like ooohhh
Aye, get at me
