

# Somebody Else

The 1975

So I heard you found somebody else  
And at first, I thought it was a lie  
I took all my things that make sounds  
The rest I can do without I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You're intertwining your soul with somebody else I'm looking through you  
While you're looking through your phone  
And then leaving with somebody else  
No, I don't want your body  
But I'm picturing your body with somebody else  
I don't want your body, I don't want your body  
I don't want your body, I don't want your body  
I don't want your body, I don't want your body  
I don't want your body, I don't want your body And c'mon baby (I know)  
This ain't the last time that I see your face  
And c'mon baby (I know)  
You said you'd find someone to take my place I just don't believe that you have got it in you  
Cause we are just gonna keep doing it every time  
I start to believe in anything you're saying  
I'm reminded that I should be gettin' over it I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You're intertwining your soul with somebody else  
I'm looking through you  
While you're looking through your phone  
And then leaving with somebody else  
No, I don't want your body  
But I'm picturing your body with somebody else Got someone you love?  
Get someone you need?  
Fuck that, get money  
I can't give you my soul  
Cause we're never alone  
Got someone you love?  
Get someone you need?  
Fuck that, get money  
I can't give you my soul  
Cause we're never alone I don't want your body  
But I hate to think about you with somebody else  
Our love has gone cold  
You're intertwining your soul with somebody else I'm looking through you  
While you're looking through your phone

And then leaving with somebody else  
No, I don't want your body  
But I'm picturing your body with somebody else
