## **Escape**

## Metallica

Feel no pain, but my life ain't easy I know I'm my best friend No one cares, but I'm so much stronger I'll fight until the end To escape from the true false world Undamaged destiny Can't get caught in the endless circle Ring of stupidityOut for my own, out to be free One with my mind, they just can't see No need to hear things that they say Life is for my own to live my own way Rape my mind and destroy my feelings Don't tell me what to do I don't care now, 'cause I'm on my side And I can see through you Feed my brain with your so called standards Who says that I ain't right Break away from your common fashion See through your blurry sight Out for my own, out to be free One with my mind, they just can't see No need to hear things that they say Life is for my own to live my own way See them try to bring the hammer down No damn chains can hold me to the ground Life is for my own to live my own way
