

Cloak & Dagger

The Asteroids Galaxy Tour

occupation or classified infiltration
and secretly in occupation to always keep an eye on you
information i know that i can .the right nation
so easy got your information
gotta take you out on youi get high so high till the break of the morning
now they can see me cloak and deny
somehow it feels like a warning
as i'm watching the rain
and got nothing but piece of mind
get naked for the .
undercover we shades in weak
i am your lover
devoted to be undercover you and ever yet my love
i don't bother to let my life
as if i'm another
to blow your mind and .cup
i get high so high till the break of the morning
now they can see me and deny
somehow it feels like a warning
as i'm watching the rain
and got nothing but piece of mind
get naked for the .uhh cloak and dagge
uhh cloak and dagge
uhh cloak and dagge
