

# Talkin' Out da Side of Ya Neck

## Dem Franchise Boyz

I know you sayin' somethin', what?  
I can't hear you  
You talkin' 'bout nothin', what?  
I can't hear you See you need to change the subject, what?  
I can't hear you  
If you ain't talkin' money  
I ain't really tryna hear you Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck They like wait, wait, now you can't do that yet, what?  
They don't got cashed dollar they got another check, what?  
And we don't got the room keys  
And I think the girl out to the movies  
You can keep it pimpin' dog  
My piece and my girl get to rippin' y'all  
You he got white, he got green, he got piece  
If you ain't talkin' money then you talkin' Chinese I know you sayin' somethin', what?  
I can't hear you  
You talkin' 'bout nothin', what?  
I can't hear you See you need to change the subject, what?  
I can't hear you  
If you ain't talkin' money  
I ain't really tryna hear you Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
We ain't gettin' money, you niggas talkin' crazy  
We shippin' out, shippin' in, gettin' it in daily  
Keep a main hustla and a tax writer successful with the rap  
But I still get the white off Monkey ass niggas talkin' all crazy  
Ain't talkin' money so none of y'all phase me  
I'm gettin' mine in, watchin' mine stack up  
You need to do the same thing and cut your small [Incomprehensible] I know you sayin'  
somethin', what?  
I can't hear you  
You talkin' 'bout nothin', what?  
I can't hear you See you need to change the subject, what?

Call me chest aroma, I ain't chappin' for my health I'm a gangsta, I'm a goon straight thug nigga  
He a murderer, a menace, he a drug dealer for real  
I know they sayin' somethin' 'bout me  
But if they ain't talkin' money  
It ain't nothin' 'bout me I know you sayin' somethin', what?  
I can't hear you  
You talkin' 'bout nothin', what?  
I can't hear you See you need to change the subject, what?

If you ain't talkin' money  
I ain't really tryna hear you Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck I mean what I say, say what I mean  
I ain't tryna hear you unless your conversation green  
So keep quiet, better yet keep your mouth closed  
Act like Janet, dang got your mouth froze You hear presidents seein' dollar signs  
Here we can converse that's the bottom line  
Money on my mind and nothing else  
If you ain't talkin' money  
Shit, you talkin' to yourself I know you sayin' somethin', what?  
I can't hear you  
You talkin' 'bout nothin', what?  
I can't hear you See you need to change the subject, what?  
I can't hear you  
If you ain't talkin' money  
I ain't really tryna hear you Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck  
Oh, oh, talkin' out the side of your neck Oh, oh, oh, oh, oh
