## Make A Wish

## **Conjure One & Rhys Fulber**

You can close your eyes it's over now.

It's over now,

You can close your eyes it's over. Baby, baby, baby,

Make a wish.

Tell me have, you ever been afraid like this?

(It's over now)I've seen it watching me,

That misty thing,

Without a face.

It weaves my thoughts,

Lined them up in black lace.

It buries my shape,

And leaves no trace.

Tomorrow I will have no shame,

And I will start again.

Make a wish.

Tell me have, you ever felt alone like this.

(Over now)Better do it sure.

Just wishing,

I could move in some more. Tomorrow I will have no shame,

And I will start again.

Make a wish.

(You can close your eyes it's over now)

Baby I, have never been afraid like this.

(You can close your eyes it's over now)

Make a wish.

I took off my shoes,

I took off my face,

And then I undid, the buttons on my dress.

(I will start again) Make a wish.

(You can close your eyes it's over now)

Tell me have, you ever been exposed like this?

(You can look into your mind)

Baby, baby, baby,

Feels like a kiss.

(You can close your eyes and start again)

I bet, you never thought that I could feel like this Tomorrow I will have no shame.

Tomorrow I will have no shame.

Make a wish.
