

# Love Lifted Me (feat. Tye Tribbett)

## Youthful Praise, J.J. Hairston & Tye Tribbett

Glory, Glory to God,  
In the Highest,  
Glory, Glory to God...  
When nothing else could help  
You came and rescued me  
Your love lifted me,  
Your love lifted me,  
Your love lifted me,  
I am free to sing of your love...  
Higher, Higher, Higher than heaven  
Deeper, Deeper, Deeper than oceans  
Greater, Greater, Greater than mountains

your love

Vamp 1:

It lifted me,

It lifted me,

Your love lifted me,

It lifted me...

Vamp 2:

Your love lifted me,

It lifted me...

Your love lifted me,

It lifted me...

Vamp 3 (Call and Response):

Your love,

It lifted...

It lifted...

It lifted...

It lifted...

It saved...

It saved...

It saved...

It saved...

Delivered...

Delivered...

Delivered...

Delivered...

It lifted...

It lifted...

It lifted...

It lifted...

Coda (Duet):

Your love lifted me,  
Your love lifted me,  
Your love lifted me,  
I am free to sing of your love.
